A San Diego County Water Authority Program

HERE'S HOW

Before purchasing a new controller(s), request a discount voucher. Call 800-986-4538 (option 2, 5) to determine property eligibility and voucher availability.

- Vouchers must be presented at the time of purchase.
- The voucher will be treated like a coupon by participating suppliers and/or contractors.
- Contractors may request vouchers with property owner's/manager's written authorization.
- Participating customers agree to an on-site installation verification.
- Funding is limited and vouchers are distributed on a first-come, first-served basis.

GUIDELINES

- Qualifying properties must have at least 2,000 square feet of irrigated landscape.
- Controllers must be selected from the current list of eligible models.
- Controllers must replace existing non-weather-based controllers.
- Controllers must be installed by qualified licensed contractors from the list of contractors provided by manufacturers. (This requirement does not apply to properties with in-house landscape maintenance staff.)
- Controllers installed as part of new construction do not qualify.

NO REBATES!

Voucher discounts apply only at the time of equipment purchase. There are no rebates available for previously purchased controllers.

FREE WATER MANAGEMENT REPORTS

When you participate in the Smart Landscape Program, your property may receive water budget information. It's a service that helps property owners and managers control water-related expenses by comparing the amount of water used with the optimal amount needed.
